

MARKS, FINCH, THORNTON & BAIRD, LLP SIGNS NEW LEASE

SAN DIEGO -- Marks, Finch, Thornton & Baird, LLP signed a 10-year lease of the 24,111 square foot 7th Floor of the La Jolla Commons Office Tower in UTC.

The 30-lawyer business law firm catering to the construction industry, is leaving the LEED certified Sunroad Centrum Building in Kearny Mesa for the Gold LEED certified La Jolla Commons Tower.

The move leaves Bridgepoint as the sole tenant in the Sunroad Centrum building. Partner Finch said, “When we moved into Sunroad Centrum we were the only tenant. Bridgepoint quickly became the only other tenant occupying the other 10 floors. The move will enable our clients and team members to more easily get in and out of our office; is central to the three San Diego courthouses and is very close to the San Diego AGC office frequented by many of our clients.” We are looking forward to the move and are appreciative of the personal assistance of Dan Feldman of Sunroad and Shawn Tobias of Hines in making this move possible. The law firm was represented by Dan Marino of Hughes Marino. The Landlord was represented by Cassidy Turley.
